

**AAP CARDING CRITERIA
FOR NOMINATIONS FOR THE 2017 CARDING CYCLE**
February 16, 2016

FINAL

SPORT CANADA CARDING – ATHLETE ASSISTANCE PROGRAM

Description and Program Objectives:

The main goal of the Athlete Assistance Program (AAP) is to contribute to the improvement of Canadian performances at major international sporting events such as World Championships. To this end, the AAP identifies and supports athletes already at or on course to be in the Top 16 in the world individually or Top 8 as a team.

AAP is a program of the Federal Government administered by Sport Canada. It is more commonly referred to as “Carding”. The AAP is designed to give Canada’s top athletes direct financial assistance and tuition support, which enables them to better prepare themselves to represent Canada at the highest possible level internationally. The intention of this funding is as a living and training subsidy and not intended to be the Athletes sole source of income.

Squash Canada will nominate players annually (based on the enclosed criteria) for direct funding by Sport Canada. Nominated athletes will receive support in the form of a monthly payment from Sport Canada that goes directly to the players. Players will be nominated for a twelve-month period under this program.

For more information on the AAP policies and procedures please consult the Sport Canada website <http://canada.pch.gc.ca/eng/1414514343755/1414514385181>

Person Responsible for Nominating Players for AAP Support:

Jamie Hickox - *Performance Director, Squash Canada*

Tuition and Deferred Tuition Support:

For information on tuition and deferred tuition support please refer to Section 8 of the AAP policies, procedures and guidelines.

<http://canada.pch.gc.ca/eng/1414514343755/1414514385181>

Accepting or Declining AAP:

Athletes with annual income after sport expenses of \$50,000 or more may decline AAP financial support.

If an athlete **declines** carding as extended by Squash Canada under the carding criteria, the card will go to the next athlete that meets the criteria of the gender that declined the card. Declining AAP support for one year does not preclude the athlete from future funding and the athlete retains the recognition as a “carded” athlete based on the level at which they qualify

Application Deadline:

Athletes who are eligible to apply for carding as per the basic eligibility requirements must submit their carding requirements to the Squash Canada Performance Director **by no later than December 4th, 2015** (*see Squad Obligations*). Squash Canada will send Sport Canada AAP Applications to eligible athletes by email upon receipt from Sport Canada around October/November 2015. **It is the Athletes’ sole responsibility to submit their information. Failure to provide the necessary materials may render the athlete ineligible for carding status. Exceptional circumstances may be considered by Squash Canada.**

Basic Eligibility Requirements:

Minimum requirements for athletes to qualify for AAP are:

- The athlete must be a **permanent resident of Canada** (as defined by Citizenship and Immigration Canada) on the date of the beginning of the carding cycle, and the athlete shall have been a legal resident in Canada (student status, refugee status, work visa or permanent resident) for a minimum period of one year before being considered for AAP support. The athlete would normally be expected to have participated in NSO sanctioned programs during that time period.
- The athlete, under the eligibility requirements of the sport’s International Federation (IF), must currently **be eligible to represent Canada** at major international events including World Championships.
- Athletes must meet the carding criteria as a member of a Canadian Team, at international events or in domestic event or events sanctioned by the NSO for such purposes
- Be a member in good standing with their respective provincial/territorial squash association.
- Sign Squash Canada’s current Athlete Agreement.
- Complete and return the necessary documentation for AAP Carding including: Sport Canada Athlete Assistance Program – Application and Declaration to Accept/Decline AAP Financial Support; Annual training plan for carding year; competitive schedule for the carding year; competitive results from the current year (2016)

Allocation of Squash Canada Carding Levels:

Based on the parameters of Sport Canada's new funding, Squash Canada is currently eligible to receive a maximum of four (4) Senior Cards (SR1 / SR2, SR, C1 and/or their D card equivalents) for the 2017 carding cycle. ***This quota number is subject to change at any time by Sport Canada.*** Sport Canada guidelines stipulate that Senior Card(s) may be converted into Development (D) cards.

Squash Canada's card quota for the 2017 carding cycle is \$72,000 (the equivalent of 4 senior cards). The criteria for the distribution of these cards are listed below. The equivalent of 4 months of carding support must be available to nominate an additional athlete for the AAP.

Squash Canada will nominate a minimum of **2 males and 2 females** who are eligible for the Senior Cards (SR1 / SR2, SR, C1). If there are not enough athletes from one gender meeting the Senior Cards criteria, Squash Canada will re-allocate those cards to the other gender provided there are eligible athletes meeting the criteria. If there is a quota left after the application of the senior criteria, it may be used to nominate eligible athlete(s) who met the Domestic Development Card Criteria in the below order.

★ International Senior (SR 1, 2), Senior (SR cards)	\$1,500/month
★ Developmental (C1, D card)	\$900/month

Carding Contract Period:

Squash Canada's carding cycle runs January 1st – December 31st yearly.

Priority for Senior Carding:

1. Athletes eligible under the International Senior Carding criteria (SR1/SR2)
2. Athletes eligible under the Domestic Senior Card Criteria (SR) – Priority #1
3. Athletes carded the previous year that meet the Injury Card Criteria – Priority #1
4. Athletes carded the previous year that meet the Injury Card Criteria – Priority #2 (As long as athlete was ranked top 40 PSA Women and Top 60 PSA Men prior to injury declaration.)
5. Athletes eligible under the Domestic Senior Card Criteria (SR) – Priority #2
6. Athletes carded the previous year that meet the Injury Card Criteria – Priority #3 (As long as the athlete was ranked 41-60 PSA Women and Top 61-80 PSA Men prior to injury declaration.)
7. Athletes eligible under the Domestic Senior Card Criteria (SR) – Priority #3
8. Athlete eligible under the Development Carding Criteria (D) – Priority #1
9. Athlete eligible under the Development Carding Criteria (D) – Priority #2
10. Athletes eligible under the Development Carding Criteria (D) – Priority #3

Email: performance@squash.ca

SENIOR CARDING CRITERIA

Senior Card Eligibility Requirement:

To be eligible for carding consideration for senior level carding, an athlete **MUST** be a member of Squash Canada’s High Performance or Transition Squad

Once an athlete has been carded at the senior level, he/she **must participate in a minimum of 10 PSA Men events or 9 PSA Women events in the year they are carded in order to qualify for a senior card (SR) the next year**. Squash Canada will count participation at international events (Commonwealth Games, World Games, Pan Am Games, Pan American Championships, World University Championships, or other international events Squash Canada participates in) as an event played for carding purposes. The number of events played will be based on the calendar year (Jan – Dec) and not the Squash Canada season (Sept- May).

Maximum number of years at the SR/C1 level:

Once a player has been carded for eight (8) years at the Senior level (SR1, SR2, SR, C1), to be eligible for AAP support the player must either meet the:

- Senior International (SR1/SR2) criteria
- Or
- Domestic Senior Card (SR/C1) priority #1 carding criteria

1. Senior International Card Criteria (SR1/SR2)

Squash Canada athletes are treated on the basis of their team results at World Team Championships. Athletes must have competed in the team competition to be considered for team carding. World Team Championship occurs each year, alternating between men and women. Athletes are eligible for International Senior SR1 / SR2 under the following criteria:

Men:

There will be no SR1 or SR2 cards available to male athletes due to the fact that the Men’s National Team did not achieve a top 8 finish as the 2015 Men’s World Team Championships was cancelled.

Women:

SR1 Criteria: A Top 8 Finish and Top ½ of the field at the 2016 Women’s World Team Championships

AND

World Championship Team members will be ranked based on the following evaluation process. The 2 athletes with the highest score will be eligible for recommendation for a SR1 card.

WORLD CHAMPIONSHIP TEAM RANKING	BEST Ranked/Most Wins/Points/Finish	2 nd BEST Ranked/Most Wins/Points/Finish	3 rd BEST Ranked/Most Wins/Points/Finish	4 th BEST Ranked/Most Wins/Points/Finish
<i>Highest World Ranking as of (December 1st) PSA/WSA rankings</i>	4 points	3 points	2 points	1 point
<i>Order of Finish at the Canadian Squash Championships (Open Division) in the 2015 World Team Championship</i>	4 points	3 points	2 points	1 point
<i>Players who accumulate the most number of individual match wins against PSA 50 or better ranking and WSA 30 or better ranking in the calendar year (2016) leading up to and including the World Team Championships</i>	4 points	3 points	2 points	1 point
<i>Players achieving the most international credits in the 2015 calendar year (January 1 – December 1, 2016)</i>	4 points	3 points	2 points	1 point

Tiebreaker: If more than 1 athlete is tied based on the evaluation process above, the athletes will be prioritized based on the best PSA 12 month average (January 1, 2016 – December 1, 2016), followed by the best order of finish at the Canadian Squash Championships.

Athletes who meet the senior international criteria are eligible to be nominated for carding for two consecutive years, with the card for the first year referred to as SR1 and the card for the second year referred to as a SR2.

- The second year of carding is subject to the athlete meeting their PSA 12 month ranking average (January 1st, 2017 – December 1st, 2017) as per their progressive yearly indicator (see Senior Domestic card criteria priority 2), for the 2018 carding year, **OR;**

- Finish in the top 2 at the 2017 Pan Am Championship Individual Event or 2017 Pan Am Championship Team Event, **OR**;
- Finish in the top 16 at the 2017 World Open, **OR**;
- Win one main draw round at a PSA World Series Gold Event.
- Being re-nominated by Squash Canada and a training and competitive program approved by Squash Canada and Sport Canada being maintained.

2. Senior Domestic Card Criteria

Domestic Senior Cards are intended to support athletes with demonstrated potential to reach International Senior Card status. Athletes meeting the Domestic Senior Card criteria will be carded at the Domestic Senior Card (SR) stipend (\$1500/month).

The remaining number of senior cards will be allocated to eligible athletes in the following priority:

Priority #1:

Canadian male athletes with a 12-month average of **35** PSA ranking (January 1, 2016 – December 1, 2016) or better and the Canadian female athletes with a 12-month average of **25** PSA ranking or better (January 1, 2016 - December 1, 2016).

OR

Achieve a Top 16 finish at the 2016 World Open (Individual World Championship)

OR

Top 8 finish at a PSA World Series Gold event or PSA World Series Platinum/Gold event

Tiebreaker: If more athletes meet the above criteria than cards available, the athletes will be prioritized based on the athletes with the best PSA 12 month average (January 1, 2016 – December 1, 2016), followed by the athletes with the best order of finish at the 2016 World Open.

Priority #2:

Athletes who achieve the progressive yearly indicators set forth by the progressive yearly indicator chart below will be eligible for nomination for a SR/C1 card. The PSA ranking indicators are 12 month averages from January 1, 2016 – December 1, 2016.

PROGRESSIVE SENIOR DOMESTIC CHART

Year of Carding	PSA Men's ranking	PSA Women's Ranking
1	100 to 91	80 to 71
2	90 to 81	70 to 61
3	80 to 71	60 to 51
4	70 to 61	50 to 41
5	60 to 51	40 to 36
6	50 to 41	35 to 31
7	40 to 36	30 to 36
8	35 or better	25 or better
9 or more year	Meet Senior International Criteria or Senior Domestic Priority 1 Criteria	Meet Senior International Criteria or Senior Domestic Priority 1 Criteria

NOTE(S):

- ***The year of carding as an injury carded athlete does not count toward the Progressive Yearly Indicator chart stipulated under the Domestic Senior Card criteria (SR/C1).***
- The Year of Carding refers to the Year they are entering, not the previous number of years carded. Therefore if this is their first year of carding, the athlete must achieve at least the year 1 standard (i.e.: Men 100 to 91 & women 80 to 71). To be eligible for a second year of carding under this priority the athlete must achieve at least the year 2 standard, etc.

Priority #3:

Athletes who finish in the **Top 4 at the 2016 Canadian Senior National Championships (Open Division)** will be eligible for carding **provided they have competed in the minimum number of events (see below) during the 2016 carding year.**

- For athletes previously carded at the senior level (SR1/SR2/SR/C1), athletes must have competed in a minimum of 10 Men's PSA /9 Women's PSA events in the 2016 carding year
- For athletes not previously carded at the senior level, athletes must have competed in a minimum of 6 Men's PSA / 4 Women's PSA events in the 2016 carding year

Tiebreaker(s) – the following tie break will be used for priority #2 and priority #3:

1. If two or more athletes meet the progressive yearly indicators for carding and there are not enough cards to support all eligible athletes the athlete who meets the highest progressive yearly indicator will be considered as a higher priority.
2. If two or more athletes meet the same progressive yearly indicator for carding and there are not enough cards to support all eligible athletes, the athlete with the highest 12 month average (January 1, 2016 – December 1, 2016) in PSA rankings will be considered as a higher priority.
3. If multiple athletes meet the same priority level and have the same 12-month average the athlete with the highest ranking on December 1, 2016 will be awarded the card followed by order of finish at the 2016 Canadian Squash Championships 'Open' Division.

Other Senior Carding Notes:

1. Only whole numbers will be used for ranking averages. All decimal points will be rounded down to the whole number. For example, 90.1 and 90.9 will both be rounded down to 90.
2. Athletes who participate for Canada at international events will receive credit towards their 12 month PSA ranking in order to offset any PSA points potentially lost due to missing a PSA event while competing for Canada at an international event. Credit towards an athlete's 12 month PSA ranking will be assigned using the International Events Ranking Credits chart that can be found in **Appendix 1.0**. The credit received for participation in international events will be applied after all international events have been played for the year and after the publishing of the December 1st, 2015 PSA rankings. The credits applied to an athlete will only be good for the current carding cycle and will not carry over to subsequent years.

3. DOMESTIC DEVELOPMENT CARD (D)

Domestic Development (D) Cards are intended to support the development needs of developing athletes who clearly demonstrate the potential to achieve Senior International Card Status. There will be two types of athletes who can access Domestic Development (D) Cards:

1. **Transition Athletes:** Athletes who have graduated from the U19 age category and have competed for **5 years or less** on the PSA tour.
2. **Junior Eligible Athletes:** Age eligible junior athletes (Under the age of 19 as specified by the World Squash Federation rules defining U19 players) during the year they are applying for carding. Junior eligible athletes must have participated as a junior athlete during the year they are applying for carding (2016).

ELIGIBILITY REQUIREMENTS FOR DOMESTIC DEVELOPMENT CARDS:

To be eligible the Transition/Junior athlete must have:

- Participated in the 2016 Canadian Junior Championships in either U17 or U19 division or at the 2016 Canadian Senior National Championships;
- Been named to a 2016-2017 Junior/ Senior Team or High Performance Squad if applicable.
- Normally, a Development card cannot be allocated to an athlete previously carded at the Senior card levels (SR1, SR2, SR, C1) for more than **2 years**, except if the athlete was still eligible to compete at junior international level when carded at the Senior card levels.

NOTES:

1. Athletes previously carded at the SR1 or SR2 level are **not eligible for D cards**.
2. Transition athletes previously carded at the SR level (including SR injury) for **3 years or more are not eligible for D Cards**
3. Domestic Development Cards (priorities 1 – 3) will not be allocated based on gender; the athletes meeting the highest priorities will be nominated for carding regardless of gender. Please refer to the **Domestic Development Card Tiebreaking section**.
4. Junior eligible athletes **must earn a minimum of 16 points** from the chart in **Appendix 2.0** in the year they are applying for carding for consideration of Priority #3.

Maximum Number of Years Carded at the 'D' Level

Once an athlete become eligible under the Transition age athlete he/she can only be carded a maximum of three (3) years at the D level after which the athlete is expected to meet the Senior Carding Criteria. There is no maximum number of years for junior age athletes.

3.1 Transition Development Card Criteria

In addition to meeting the yearly progressive domestic chart indicator below, a Transition athlete **must** win a **minimum of 3 main draw matches** at PSA 10k or higher tournaments to be considered for carding.

PROGRESSIVE DOMESTIC CHART

<i>Level of Carding</i>	<i>PSA</i>	<i>WSA</i>	<i>Evaluation Methodology</i>
D (1 st year - Transition)	130 to 121	110 to 101	Players must achieve ranking indicator based on a 4 month average ranking (Sept 1, 2016 – Dec 1, 2016)
D (2 nd year – Transition)	120 to 111	100 to 91	Players must achieve ranking indicator based on a 12 month average (Jan 1, 2016 – Dec 1, 2016)
D (3 rd year – Transition)	110 to 101	90 to 81	Players must achieve ranking indicator based on a 12 month average (Jan 1, 2016 – Dec 1, 2016)

Priority #1 – High Performance Squad (Transition Athletes)

Eligible athletes, members of the High Performance Squad (only), who have reached their respective Progressive Development Criteria and **win a minimum of 3 main draw matches** at PSA 10k or higher tournaments to be considered for carding

Tiebreaker: If there is more than one eligible athlete meeting Priority #1, then priority will be given to the athlete who had the best order of finish at the 2016 Canadian Squash Championships 'Open' Division. If multiple athletes in either gender have the same order of finish, then the athlete with the highest PSA ranking on December 1, 2016 will be prioritized.

Priority #2 – Transition Athletes

Eligible transition athletes, who have reached their respective Progressive Development Criteria and **win a minimum of 3 main draw matches** at PSA 10k or higher tournaments to be considered for carding.

Tiebreaker: If there is more than one eligible athlete in Priority #2, then priority will be given to the athlete who had the best order of finish at the 2016 Canadian Squash Championships ‘Open’ Division. If multiple athletes in either gender have the same order of finish, then the athlete with the highest PSA ranking on December 1, 2016 will be prioritized.

3.2 Junior Development Card Criteria

Priority #3 – Junior Eligible Athletes

Junior Eligible athletes must earn a minimum of 16 points in **Appendix 2.0** to be considered for carding nomination.

Eligible junior athletes are ranked for Domestic Development (D) card status based on the total points accumulated through the Development Carding Table for junior eligible athletes as indicated in **Appendix 2.0**. The athlete with the highest score is ranked higher.

Tiebreakers: If there is more than one eligible athlete meeting Priority #3 (Junior Eligible Athletes), priority will be given to the athletes in the following order:

- a) The athlete(s) who achieve the highest number of points in **Appendix 2.0**
- b) If more than one athlete achieves the same number of points in **Appendix 2.0**, priority will be given to the athlete with the best order of finish at the 2016 Canadian Junior Championships
- c) In the event that more than one athlete has the same order of finish at the 2016 Canadian Junior Championships, the tie will be broken by the athlete with the highest Canadian senior ranking; if still tied then,
- d) The athlete(s) with the best order of finish at the 2016 World Individual Junior Championship; then,
- e) The athlete(s) with the best order of finish at the 2016 British Junior Open
- f) The athlete(s) with the best order of finish at the 2016 Canadian Squash Championships

INJURY CARD PROVISION:

A player carded the previous year at the senior card level (SR1, SR2, SR, C1 and D) will be considered for carding if injury, illness or pregnancy prevents him/her from meeting the carding criteria. The requirements of Sport Canada’s policy on the “Curtailed Training and Competition for Health Related Reasons” must be met in order for a player to be nominated as an “injury card”. Injury cards will only be granted for 1 year. The year of carding as an injury carded athlete does not count toward the Progressive Yearly Indicator chart stipulated under the Domestic Senior Card criteria (SR/C1) above.

In the event that multiple athletes apply for an injury card and there are not sufficient cards available, the following priority will be utilized to determine injury card(s):

Priority #1 - Athletes who were carded at the International Senior Carding level (SR2) during the previous carding cycle.

Priority #2 – Athletes who were carded at the Domestic Senior level (SR/C1) during the previous carding cycle (As long as athlete was ranked top 40 PSA Women and Top 60 PSA Men prior to injury declaration.)

Priority #3 – Athletes who were carded at the Domestic Senior level (SR/C1) during the previous carding cycle (As long as the athlete was ranked 41-60 PSA Women and Top 61-80 PSA Men prior to injury declaration.).

If multiple athletes meet the same priority level, the athlete with the highest 12-month (January 1, 2016 – December 1, 2016 year) PSA/WSA ranking average will be nominated for the card in the priority. In the event there are multiple athletes meeting the same priority level and have the same 12-month average the athlete with the highest ranking on December 1st, 2016 will be awarded the card.

APPENDIX 1.0
INTERNATIONAL EVENTS RANKING CREDITS

Event	Participation	Top 16	Top 10	Top 8	Top 4
World Team Championships	4 ranking credits	+0	+2	NA	NA
Commonwealth Games – Singles World Open & World Games – Main Draw	2 ranking credits	+4	NA	+6	+8
Pan American Games – Individual Event	2 rankings credits	+0	NA	+0	+4
Pan American Games – Team Event	2 ranking credits	+0	+0	+0	+2
Pan American Championships – Individual Event	1 ranking credit	+0	NA	+0	+1
Pan American Championships – Team Event	1 ranking credit	+0	NA	+0	+1
World Junior Championships – Individual Event	1 ranking credit	+0	+0	+1	+2
World Junior Championships –Team Event	1 ranking credit	+0	+0	+1	+2

NOTE:

1. *An athlete may receive participation points (participation column) PLUS any bonus points for Top finishes (Top 16, Top 10, Top 8, Top 4 columns) as listed above.*
2. *Ranking credits are applied directly to the 12-month average. If an athlete earns 10 ranking credits, their final year end (12 month average) ranking will drop by 10 points*

APPENDIX 2.0 – (D) Card Table
JUNIOR ELIGIBLE ATHLETES PERFORMANCE STANDARDS

BOYS / GIRLS EVENTS	Champion	Finalist	Top 4	Top 8	Top 16
Junior National Championships					
U17 Division – Canadian Junior Squash Championships	3	2	1	0	0
U19 Division – Canadian Junior Squash Championships	4	3	2	0	0
Junior National Team Selection Events (commencing September 2012)					
U19 Division – Canadian National Team Selection Events	2	1	0	0	0
Major International Events – British Jr. Open & World Individual Championships					
U17 Division – British Junior Open	9	8	7	6	5
