About the Edmonton Squash Club

The Edmonton Squash Club opened its doors on December 23, 2015 with 4 International Squash Courts, 1 Hardball Doubles Court, small fitness room, locker rooms with steam rooms. The ESC is a member owned non-profit squash club now with 300+ members.

Some things that you need to know about the ESC:

- The ESC is a key club. This means members have key fobs that will get them into the Club, but non-members only have access when the Club is staffed. We want to be as accessible as possible so if you plan on coming to the Club outside of the tournament schedule please make sure that someone will be there to let you in. Please use the contact list below to help us assist you with getting into the Club.

- The ESC locker rooms have steam rooms, towels & toiletries are provided and lockers that you can lock onto for the weekend. So, bring your own lock.
- For Wi-Fi access click ESC_Guest and the password is canmasters
- Practice Courts - There are 2 courts booked on Thursday February 14th for participants to book throughout the evening. During the tournament only 3 of the 4 courts will be used and this will allow the 4th court to be used throughout the weekend as a warm up court.
- The club will be providing a chiropractor and massage therapist for the tournament to provide stretching, warm-up, and assessments that will be available to the athletes. More information will be available as players arrive for the event.
