

## Head Squash Professional, Mayfair Lakeshore

Mayfair Clubs is a private club which offers members access to leading fitness, tennis and squash facilities in 4 locations across the Greater Toronto Area. For over 40 years, Mayfair has offered the finest quality programs and activities in fitness and racquet sports.

We are currently seeking a Head Squash Professional, Toronto, Ontario at our Lakeshore location. As the Head Squash Professional at Mayfair Lakeshore you will have direct and indirect oversight for the team of Squash Professionals. The role reports to the Lakeshore Club General Manager and will be responsible for, but not limited to, the following:

- Provide coaching and direction to the existing Squash Professionals
- Understand the existing Professional base and how to structure the workload to maximize lesson profitability
- Manage existing house league and other programs/clinics at the Lakeshore to maximize profitability
- Build recreational programs/clinics for youth and children from the bottom up
- Build a junior high-performance program from the bottom up
- Work in close collaboration with the entire Management Team to ensure programs and clinics run smoothly and continue to be an integral part of Mayfair Lakeshore

The ideal candidate will have the following requirements to be successful in the role:

- Level 2 coach certification
- Have 5-7 years of experience in running successful and profitable large-scale events
- Experience running medium to large squash events/tournaments
- Be an independent thinker who requires little supervision, be self-motivated, and is equally comfortable being a strong team player
- Demonstrated the soft skills of people management and also be able to have influence and impact with indirect reporting relationships
- Successfully create programs/clinics for youth and adults
- Proven effective written and oral communication skills
- Ability and desire to socially engage with a wide audience including members, contractors and staff on an ongoing basis
- Ability to work in a multi-tasking environment with high attention to detail and organization
- Clear vulnerable persons sector screen
