

**Pan American Games  
Canadian Team Historical Records**

Ten years of lobbying by the national Federations of the USA and Canada finally resulted in squash being included in the Pan American Games for the first time in 1995. The Games, held every four years, were in Winnipeg in 1999, and Toronto in 2015. To date, Canadian Men's and Women's teams have never come lower than 2nd.

Year	Location	Men	Women	Coaches	Results
