

**Canadian Team – Pan American Junior Championships
Historical Records**

The Pan American Championships serve as a complement to the quadrennial Pan Am Games, with the Pan Am Championships being held during the three years of the four-year cycle, when the Pan-Am Games are not being contested. The Pan - American Junior Squash Championships are open to under 19 squash players in North and South America, with athletes competing for medals in boys' and girls' singles, boys' and girls' doubles, mixed doubles, and teams.
