QCP			2 consecutive successful in 3 years		20 games per year at A level or higher		

NOTES

1. For all designations, the term 'consecutive' will include sequential 'Successful' assessments. 'Successful' is defined as performing at least one level above their current Referee designation
2. Matches or competency demonstrations considered to have had insufficient decisions, performed at current level, not be difficult enough ('Not Assessible' (N/A)) do not impact the 'consecutive' criteria.

Interference Competencies

- Recognizing front wall interference(FW)
- Recognizing the failure to provide direct access to the ball(DA)
- Recognizing poor effort to get to and play the ball (PB)
- Recognizing swing Interference (SW)
- Recognizing minimal interference(MI)
- Recognizing created interference (CI)
- Recognizing a winning return and a potential winning return (WR)
- Manages interference (INT)
