<b>Note:</b>	1. If two competitors are tied the ranking will be determined by head to head result between the two competitors
<b>Tie Break procedures for Round Robins</b>	2. If 3 (or more) competitor are tied the ranking will be determined by head to head results between the tied competitors as follows: First by the greater number of matches won against the tied competitors; If equal, by the number of games won against the tied competitors; If equal, by the greater positive difference between the games won and lost among the tied competitors
<b>Draws</b>	If equal, by the greater positive difference between the points won and lost among the tied competitors If any of the above criteria results in a tie between two competitors, then revert to the procedure for two competitors tied, (head to head result between the two competitors)
