Champion	60	-	90	36
Finalist	48	-	72	24
3rd	40	-	60	12

14. Selection points are calculated as follows:
- For Mandatory Designated Selection Events, results points will be counted for both events and added together to produce a point value.
 - For Additional Designated Selection Events, the player's best two (2) results points will be counted and added together to produce a point value
 - The total of the two above point values shall represent the player's total selection points upon which players are then ranked from highest to lowest.

Example (U19):

Player	John Smith	Jack Snow	Chris Chapman
<i>Mandatory Designated Selection Events</i>			
Mandatory Designated Selection Event #1	60	48	40
Mandatory Designated Selection Event #2	72	90	60
Total of Mandatory Designated Selection Events	132	138	100
<i>Additional Designated Selection Events</i>			
Additional Designated Selection Event #1	60	48	32
Additional Designated Selection Event #2	48	-	40
Additional Designated Selection Event #3	16	-	60
Additional Designated Selection Event #4	-	48	16
Total of Best 2 Additional Designated Selection Events	108	96	100
TOTAL Selection Points	240	234	200

15. **Selection:** The four (4) highest ranked players, determined by the total of the two above point values will be selected to the World Junior Championship Team. The fifth highest ranked player will be selected as the 5th non-travelling reserve player.
