

**2021 PAN AMERICAN SQUASH U23 CHAMPIONSHIPS – SAN SALVADOR, EL
SALVADOR, MAY 16TH – 22ND, 2021
(the “Championships”)
ELIGIBILITY AND SELECTION CRITERIA**

Approved by Squash Canada Board, December 15th, 2020.

Preamble

It is recognized that we are still in the midst of a pandemic and there remain many questions and concerns surrounding international travel to and participation in a squash competition in late May 2021, as well as concerns for adequate athlete preparation for this level of competition. The health and safety of athletes and team support personnel will remain at the forefront of Squash Canada’s decision making around this event. At the same time, it must be understood that if no conditional planning such as this call for interest and a corresponding selection policy were made at this juncture, it would remove any opportunity for Canadians to compete should the COVID-19 circumstances significantly improve between now and May 2021.

In light of the evolving situation around the COVID-19 pandemic, Squash Canada reserves the right to withdraw the participation of its Team for the competition at any time.

1. THE EVENT:

- A Women's Team event consisting of minimum 2 players to a maximum of 4.
