MAINTENANCE OF CERTIFICATION

Coaches that complete this Certification Pathway will achieve 'Certified' status as outlined above and are now subject to the CAC Maintenance of Certification Policy that requires NCCP coaches to maintain their certification through Professional Development (PD) over a predetermined period. Squash Canada adheres to a 5-year cycle for coaches to accumulate PD points maintain 'Certified' status – 20 PD points are required for the NCCP Competition – Introduction Stream. The maintenance cycle begins on the date a coach becomes 'Certified' and if the coach fails to gain enough PD points by the maintenance cycle end date will have their Coach Transcript listed as "Certified: Not Renewed".
