

About the Battle of the Border

The "Battle of the Border" was initially founded in a Team Ontario vs Team USA format in 2004, by US-based Bryan Patterson and the late Mark Sachvie of Ontario, with groups of 4 players in each of the GU13, GU15, BU13, and BU15 sections. The GU17 and BU17 sections were added in 2005. For many players, the Battle of the Border has been their first introduction to representative international competition. The matches have always been played at The Club at White Oaks in Niagara-on-the-Lake, Ontario (near St. Catharines and Niagara Falls).

In 2015, Squash Canada took over responsibility for running the event, changing Team Ontario to Team Canada, and incorporating the Battle of the Border into the Canadian junior athlete pathway. This involved using the event as an opportunity to create development and training opportunities for Canada's rising talents. Each year the Athletic Development Program junior camps are held before and after the event.
