About the Community Sport Stream for Squash

The Community Squash Instructor Course and the Multi-sport modules (NCCP Make Ethical Decisions course & NCCP Coach Initiation in Sport eLearning) provide all the training necessary to help introduce the fundamentals of squash to beginners at all ages. By becoming a **‘Trained Community Squash Instructor’**, you may assist Certified Coaches in your club or local community (ie. schools, clubs, etc.).

Who should attend: Gym Teachers, Juniors, Squash Playing Parents, B-C-D-E League level players, etc.

Costs: Varies by Provincial/Territorial jurisdiction

Safe Sport/Screening Requirements: Coaches may be subject to Squash Canada and/or their Provincial/Territorial Squash Association requirements that may include but are not limited to Safe Sport Training, Screening, and Criminal Record Checks.

MAINTENANCE OF CERTIFICATION

By completing this pathway, participants will achieve ‘Trained’ status as a ‘Community Squash Instructor’ and are not subject to the CAC Maintenance of Certification Policy.

It is important for coaches to understand that the NCCP is not linear, which means a coach may enter any Coach Pathway. Coaches should determine what kind of coaching you want to do and what kind of athletes you want to work with prior to selecting the applicable Coach Pathway.
