Preamble

2. Squash Canada and its Members understand that screening personnel and volunteers is a vital part of providing a safe sporting environment and has become a common practice among sport organizations that provide programs and services to the Canadian sport community.

Application of this Policy

3. This Policy applies to all Individuals whose position with Squash Canada or a Member is one of trust or authority which may relate to, at a minimum, finances, supervision, or Vulnerable Participants.
4. Not all individuals associated with Squash Canada or a Member will be required to obtain a criminal record check or submit screening documents because not all positions pose a risk of harm to Squash Canada, Members, or participants. Squash Canada or the Member will determine which Individuals will be subject to screening using the following guidelines (Squash Canada or the Member may vary the guidelines at their discretion):

Pre-Level 1 – Low Risk – Athletes who are selected to the National Team, international teams, and NextGen athletes. Examples:

- a) High Performance Squad members
- b) Pan Am Games Team
- c) World Junior Championship Team

Level 1 – Low Risk - Individuals involved in low risk assignments who are not in a supervisory role, not directing others, not involved with finances, and/or do not have unsupervised access to Vulnerable Participants. Examples:

- a) Parents, youth, or volunteers who are helping out on a non-regular or informal basis

Level 2 – Medium Risk – Individuals involved in medium risk assignments who may be in a supervisory role, may direct others, may be involved with finances, and/or who may have limited access to Vulnerable Participants. Examples:

- a) Athlete support personnel
- b) Non-coach employees or managers
- c) Directors
- d) Coaches who are typically under the supervision of another coach

Level 3 – High Risk – Individuals involved in high risk assignments who occupy positions of trust and/or authority, have a supervisory role, direct others, are involved with finances, and who have frequent or unsupervised access to Vulnerable Participants. Examples:

- a) Full time coaches
- b) Coaches and athletic therapists who travel with Athletes
- c) Coaches and therapists who could be alone with Athletes

Screening Committee

5. The implementation of this policy is the responsibility of the Screening Committee which is a committee of either one (1) or three (3) members. Squash Canada and its Members will ensure that the members appointed to their respective Screening Committees possess the requisite skills, knowledge and abilities to accurately screen documents and render decisions under this Policy.
6. The Screening Committee will carry out its duties, in accordance with the terms of this policy, independent of the Board.

7. The Screening Committee is responsible for reviewing all documents submitted and, based on the review, making decisions regarding the appropriateness of individuals filling positions within Squash Canada or the Member, as applicable. In carrying out its duties, the Screening Committee may consult with independent experts including lawyers, police, risk management consultants, volunteer screening specialists, or any other person.

Screening Requirements

8. A Screening Requirements Matrix is provided as **Appendix A**.
9. It is the policy of Squash Canada and its Members that when an individual is first engaged by the organization:

 - e) If an individual subsequently receives a charge, conviction for, or is found guilty of, an offense they will report this circumstance immediately to Squash Canada or the Member, as applicable. Additionally, the individual will inform the organization of any changes in their circumstance that would alter their original responses in their Screening Disclosure Form on an ongoing basis.
 - f) If Squash Canada or the Member learns that an individual has provided false, inaccurate, or misleading information, the individual will immediately be removed from their position, where applicable, and may be subject to further discipline in accordance with the *Discipline and Complaints Policy*.

Young People

10. Squash Canada and its Members define a young person as someone who is younger than 18 years old. When screening young people, Squash Canada and its Members will:
 - a) Not require the young person to obtain a VSC or E-PIC; and
 - b) In lieu of obtaining a VSC or E-PIC, require the young person to submit up to two (2) additional letters of reference.
11. Notwithstanding the above, Squash Canada or a Member may ask a young person to obtain a VSC or E-PIC if the organization suspects that the young person has an adult conviction and therefore has a *criminal record*. In these circumstances, the organization will be clear in its request that it is not asking for the young person's *youth record*. Squash Canada and its Members understand that they may not request to see a young person's youth record.

Renewal

12. Unless the Screening Committee determines, on a case-by-case basis, to modify the submission requirements, Individuals who are required to submit an E-PIC, Screening Disclosure Form, VSC, or Screening Renewal Form, are required to submit the documents as follows:
 - a) An E-PIC every three years
 - b) A Screening Disclosure Form every three years
 - c) A Screening Renewal Form (**Appendix D**) every year
 - d) A Vulnerable Sector Check once
13. The Screening Committee may request that an individual provide any of the above documents at any time. Such request will be in writing and reasons will be provided for the request.

Orientation, Training, and Monitoring

14. The type and amount of orientation, training, and monitoring will be based on the individual's level of risk, at the discretion of Squash Canada or the Member, as applicable.
15. Orientation may include, but is not limited to: introductory presentations, facility tours, equipment demonstrations, parent/athlete meetings, meetings with colleagues and supervisors, orientation manuals, orientation sessions, and increased supervision during initial tasks or initial period of engagement.
16. Training may include, but is not limited to: certification courses, online learning, mentoring, workshop sessions, webinars, on-site demonstrations, and peer feedback.
17. At the conclusion of orientation and training, the individual will be required to acknowledge, in written form, that they have received and completed the orientation and training.
18. Monitoring may include but is not limited to: written or oral reports, observations, tracking, electronic surveillance (e.g., facility security cameras), and site visits.

How to Obtain an E-PIC or VSC

19. Individuals requiring an E-PIC or VSC should contact Squash Canada, the relevant Member, or their local police service for direction on obtaining the relevant check.
20. Squash Canada and its Members understand that they may be required to assist an individual with obtaining a VSC. A Request for VSC (**Appendix E**) may need to be submitted or other documentation may need to be completed that describes the nature of the organization and the individual's role with Vulnerable Participants.

Procedure

21. Screening documents must be submitted to the following individual (or, in the case of a member, the equivalent position with the Member): Chief Executive Officer (or designated Staff Member) – info@squash.ca
22. An individual who refuses or fails to provide the necessary screening documents will be ineligible to volunteer or apply for the position sought. The individual will be informed that their application and/or position will not proceed until such time as the screening documents are submitted.
23. Squash Canada and its Members understand that there may be delays in receiving the results of an E-PIC or a VSC. At its discretion, the organization may permit the individual to participate in the role during the delay. This permission may be withdrawn at any time and for any reason.
24. Squash Canada and its Members recognize that different information will be available depending on the type of screening document that the individual has submitted. For example, an E-PIC may show details of a specific offense, or not, and/or a VSC may be returned with specific information or simply a notification indicating 'cleared' or 'not cleared'. The Screening Committee will use its expertise and discretion when making decisions based on the screening documents that have been submitted.
25. Following the review of the screening documents, the Screening Committee will decide:
 - a) The individual has passed screening and may participate in the desired position;
 - b) The individual has passed screening and may participate in the desired position with conditions;
 - c) The individual has not passed screening and may not participate in the desired position; or
 - d) More information is required from the individual.
26. In making its decision, the Screening Committee will consider the type of offense, date of offense, and relevance of the offense to the position sought.
27. The Screening Committee must decide that an individual has not passed screening if the screening documentation reveals any of the following:
 - a) If imposed in the last three years:
 - i. Any offense involving the use of a motor vehicle that constitutes an offence of the Criminal Code
 - ii. Any offense of assault, physical or psychological violence
 - iii. Any offense for trafficking and/or possession of drugs and/or narcotics
 - iv. Any offense involving conduct against public morals
 - v. Any offense involving theft or fraud
 - b) If imposed at any time:
 - i. Any offense involving a Minor or Minors
 - ii. Any offense involving the possession, distribution, or sale of any child-related pornography
 - iii. Any sexual offense

Conditions and Monitoring

28. Excluding the incidents above which, if revealed, would cause the individual to not pass screening, the Screening Committee may determine that incidents revealed on an individual's screening documents may allow the individual to pass the screening process and participate in a desired position with conditions imposed. The Screening Committee may apply and remove conditions at its discretion and will determine the means by which adherence to conditions may be monitored.

Records

29. All records will be maintained in a confidential manner and will not be disclosed to others except as required by law, or for use in legal, quasi-legal, or disciplinary proceedings. Records will be protected in accordance with the relevant and applicable privacy legislation.

30. The records kept as part of the screening process include but are not limited to:

- a) An individual's Vulnerable Sector Check
- b) An individual's E-PIC (for a period of three years)
- c) An individual's Screening Disclosure Form (for a period of three years)
- d) An individual's Screening Renewal Form (for a period of one year)
- e) Records of any conditions attached to an individual's registration by the Screening Committee
- f) Records of any discipline applied to any individual by Squash Canada, by a Member, or by another sport organization

Privacy

31. The collection, use and disclosure of any personal information pursuant to this Policy is subject to Squash Canada's *Privacy Policy*.

32. Squash Canada, its Members, or any of their delegates pursuant to this Policy (i.e., the Screening Committee), shall comply with Squash Canada's *Privacy Policy* (or, in the case of a Member, the Member's privacy policy) in the performance of their services under this Policy.
