~ Coaches may not advance to the Intermediate Instructor evaluation until all requirements above have been completed and verified in their Coach Profile in the CAC Locker. ~

COACH CHALLENGE PROCESS

Squash Canada has a process to encourage active coaches who have not yet been certified in the NCCP to potentially bypass certain training requirements and be recognized for prior learning and experience.

MAINTENANCE OF CERTIFICATION

Coaches that complete this Certification Pathway will achieve 'Certified' status as outlined above and are now subject to the CAC Maintenance of Certification Policy that requires NCCP coaches to maintain their certification through Professional Development (PD) over a predetermined period. Squash Canada adheres to a 5-year cycle for coaches to accumulate PD points to maintain 'Certified' status – 20 PD points are required for the NCCP Instruction – Intermediate Stream. The maintenance cycle begins on the date a coach becomes 'Certified' and if the coach fails to gain enough PD points by the maintenance cycle end date will have their Coach Transcript listed as "Certified: Not Renewed".

It is important for coaches to understand that the NCCP is not linear, which means a coach may enter any Coach Pathway. Coaches should determine what kind of coaching you want to do and what kind of athletes you want to work with prior to selecting the applicable Coach Pathway.
