ABOUT SQUASH CANADA

Since 1915, Squash Canada has served as the national leader for squash in Canada, guiding the sports' development from recreational play to global excellence. As the sport's governing body, Squash Canada is responsible for steering the game's growth, strengthening athlete pathways, and setting national coaching, officiating and competition standards.

Squash Canada reaches all levels and disciplines, from Juniors to Masters, grassroots to elite, across Singles, Doubles, and Wheelchair Squash. All our efforts reflect a commitment to making squash a sport for everyone, at every stage of life.

The programs and events Squash Canada delivers are made possible through the support of government partners (federal and provincial), the Provincial/Territorial Associations, Corporate Partners, and the wider national squash community. Together, we are building a strong, inclusive, and sustainable future for squash in Canada.

MARTHA SIMMONS

Board of Directors, Chair

Dear Squash Canada Stakeholders,

As Chair of the Board of Squash Canada, it is my privilege to introduce our new Strategic Plan at a defining moment for our sport.

For the first time in history, squash will take its place on the Olympic stage at the Los Angeles 2028 Games—an achievement decades in the making and a transformative opportunity for our athletes, our community, and our country. This milestone signals not only global recognition, but also a call to action: to ensure that Canada is ready to compete—and succeed—at the highest level.

Our Strategic Plan is built around that ambition.

Central to this vision is our Road to the Podium—a bold, national effort to prepare Canadian athletes for Olympic success. Through targeted investment in high-performance training environments, individualized athlete support, and grassroots development, we are creating a system that will enable our athletes to reach their full potential on the world stage. This campaign reflects both the scale of the opportunity before us and the level of commitment required to seize it.

Equally critical to our success is the strength of our partnerships. As the landscape of sport funding evolves, corporate sponsorship is no longer supplementary—it is essential.

Strategic, values-aligned partnerships will fuel innovation, expand our reach, and provide the sustainable resources needed to deliver world-class programs. Our partners are not just supporters; they are integral members of Team Canada's squash journey.

We are deeply grateful for the leadership already demonstrated by our corporate and philanthropic community, and we invite new partners to join us at this pivotal time. Together, we have the opportunity to elevate squash in Canada, inspire the next generation, and showcase Canadian excellence on the Olympic stage.

This plan reflects the collective vision of our athletes, coaches, members, and stakeholders across the country. It is ambitious, but it is achievable—because it is grounded in collaboration, commitment, and belief in what Canadian squash can become.

The road to the Olympics begins now. With your support, we will ensure that Canada is ready to stand proudly on the podium.

Martha Simmons
Squash Canada, President

JAMIE NICHOLLS

Squash Canada, Chief Executive Officer

Dear Squash Canada Community,

On behalf of the Squash Canada team, I am pleased to share the results of the successful 2024 – 2025 season, which continued to install critical infrastructure and create palpable momentum for our sport from coast to coast. Working in lockstep with our united provincial/territorial associations and stakeholders across the country, our sport has the wind at its sails as we build towards our LA 2028 Olympic dream.

Membership across Canada continued its strong growth, doubling since 2021 and now 30% above pre-pandemic high water marks. Highlights include Prince Edward Island, Yukon, and Ontario all experiencing over 25% increases this season. Participation followed suit with record setting entries in our National Championships, featuring encouraging junior, post-secondary, female demographics and the first ever National Wheelchair Squash Invitational.

Led by the Squash Canada Glass Court Program, now in its fourth season, the sport's exposure grew through a variety of mediums. The Canadian Women's and Men's Open continue to show the sport in its best possible light and garnered national media attention while expanding broadcast and online presence.

Financially, Squash Canada was faced with a significant decrease in government funding and must adjust our business model accordingly to ensure sustainability. This will include continued commercial and sponsorship growth centered on our major events and the launch of our Road to the Podium LA 2028 edition fundraising campaign.

In 2024-25, Squash Canada continued to underpin its key principles of Communication, Sport Safety, Inclusion, Diversity, Equity and Accessibility and Governance,

transitioning to the new Canadian Safe Sport Program (CSSP), formalizing a standing IDEA committee and updating our by-laws to comply with the Canadian Sport Governance Code.

With Olympic inclusion, the organization's focus will narrow on athlete development and high-performance excellence. We approach this challenge with strong building blocks in place – Canada's 2024 junior women's team achieved its first podium in history, while our senior women, and junior and senior men all held steady for an aggregate world ranking of #7 in the world. With the support of our Road to the Podium campaign, centralized training hubs will expand, and individual athlete funding will increase; two critical components of being a world leader in our sport.

Looking ahead, the stage is set for a successful and exciting upcoming season, culminating with hosting the 2026 World Junior Squash Championships in Niagara on the Lake, Ontario. In addition, Squash Canada will formally launch CANSquash, a grassroots curriculum to support our ongoing efforts of attracting and retaining new participants to our sport and the expansion of the Jesters Post Secondary national program.

These results and the resulting momentum are driven by our unique and powerful squash community – our Provincial/Territorial associations, clubs, coaches, athletes, officials, and volunteers continue to show Canada and the world that with our fighting spirit and willingness to work together, the future is very bright for Squash in Canada.

STRATEGIC PLAN PILLARS 2026

MEMBERSHIP & COURTS OVERVIEW

2024 - 2026 Strategic Plan Pillar

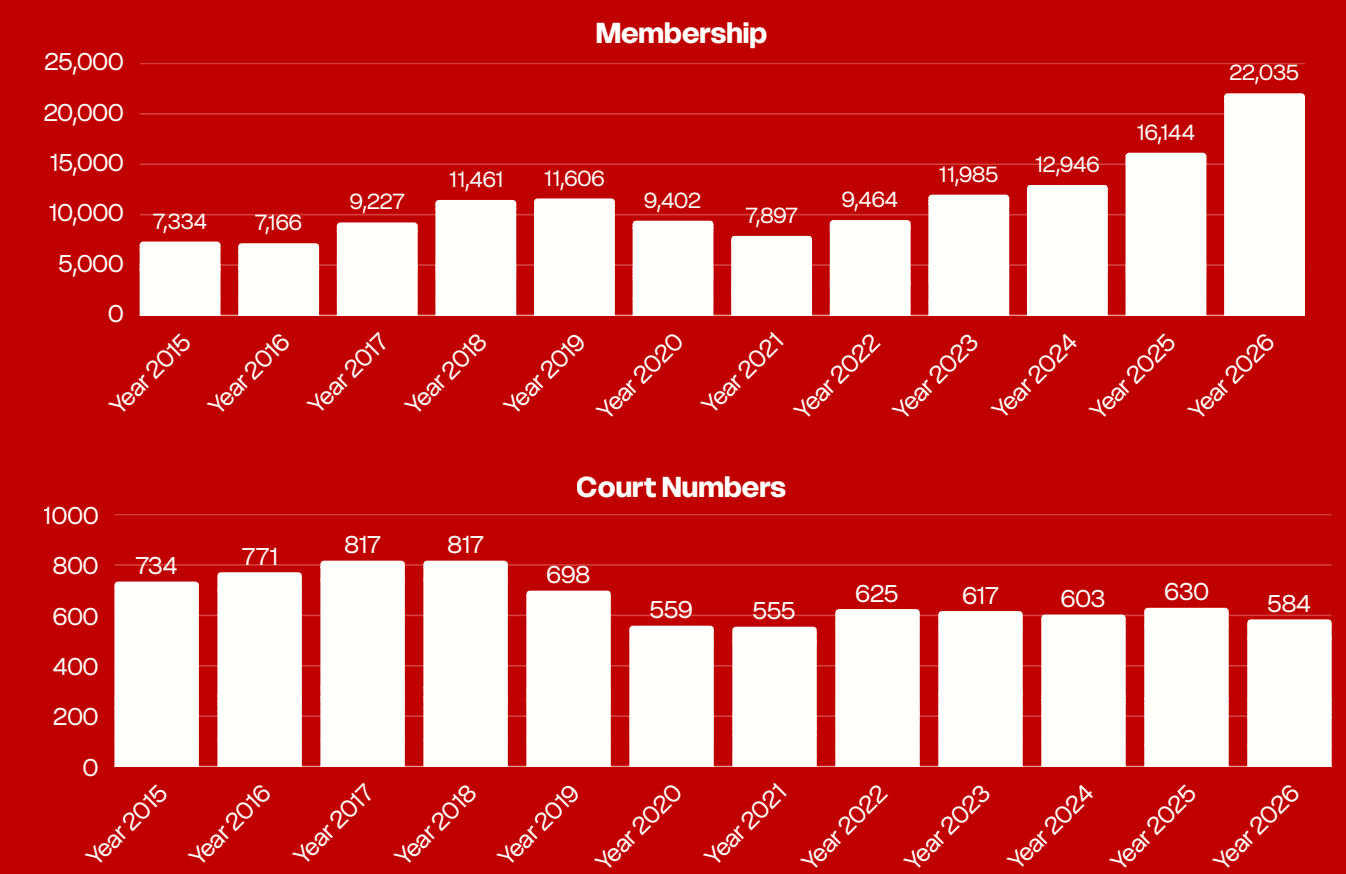

Membership – Canada's membership base continued its remarkable upward trajectory during 2025 - 2026, building on the momentum of the past few seasons. Since 2021, membership has more than doubled nationwide and has consistently sat 30% above pre-pandemic peak levels, a clear indication that the sport is thriving from coast to coast.

National membership grew by 36% in the 2025 - 2026 season, driven in large part by exceptional growth across several provinces and territories: Ontario (60%), Newfoundland and Labrador (15%), Northwest Territories (15%), Prince Edward Island (17%), and New Brunswick (10%).

Court Infrastructure – Following a pandemic low of 555 paid courts in 2021, the total climbed to 630 courts in 2024-25, before declining to 584 courts in 2025-26. While still above the pandemic low, this year's numbers remain below the 2017-18 peak of 817, with court capacity yet to fully keep pace with growing player demand.

2025 CANADIAN MIXED DOUBLES CHAMPIONSHIP

Event Summary — The 2025 Canadian Mixed Doubles Championships, hosted by Mayfair Parkway (November 7 – 9), kicked off the 2025 – 2026 season as the first national event. Squash Canada proudly acknowledges the contributions of Mayfair Parkway as Host Venue, Cory McCartney as Tournament Chair, and all officials and volunteers who supported the event.

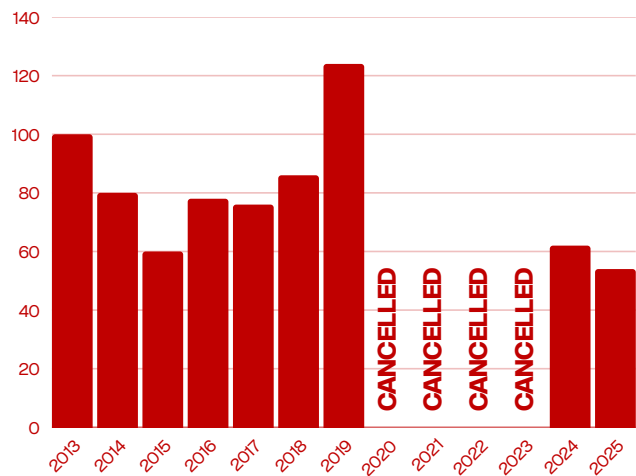

Participation Trends — The Canadian Mixed Doubles Championships is in a growth phase following its cancellation between 2020 – 2024 due to various circumstances. The event returned to the national calendar in 2024 with 64 participants, and the 2025 edition drew 52 participants, just under the previous year's count. Given the event's multi-year absence from the calendar, we suspect players are still adjusting to its return, and that additional editions will be needed to rebuild momentum and surpass the 2019 record of 124 participants.

Looking Ahead — As the Canadian Mixed Doubles Championships continues its return to the national calendar, Squash Canada will focus on two key priorities to support its rebuilding phase.

- Targeted outreach to participants from before 2020, aimed at reconnecting them with the community.
- Squash Canada will explore opportunities to strengthen partnerships with clubs and provincial associations to promote the event earlier in the season.

Podium —

- **Mixed Open:** Nikole Todd (ON) & Dylan Deverill (ON)
- **Mixed 65+:** Deborah Grieve (ON) & Eric Dunn (ON)
- **Mixed 55+:** John Hall (ON) & Tammie Sangster (ON)
- **Mixed 50+:** Seanna Keating (ON) & Bruce Marrison (ON)
- **Mixed B:** Thang Le (ON) & Sajedah Karimi (ON)

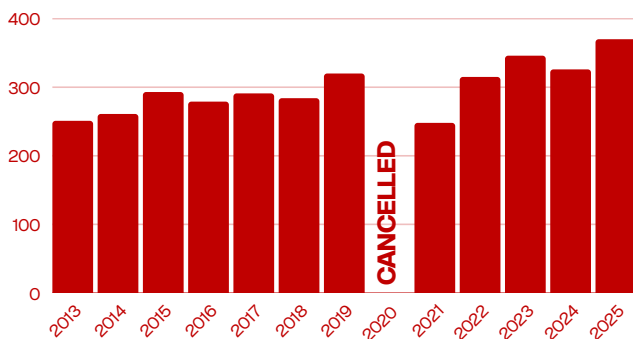

2025 CANADIAN JUNIOR OPEN PRESENTED BY FORTHLANE PARTNERS

Event Summary — The 2025 Canadian Junior Open Presented by Forthlane Partners took place from December 13th to 16th in Niagara-on-the-Lake, with over 900 matches hosted between the Mark Sachvie Squash Centre at White Oaks Resort and Spa and the Jack Aylott Centre at Ridley College.

Canadian players captured nine of the twelve titles, with wins spread across Ontario, Alberta, and British Columbia, while three titles went to international competitors. Furthermore, Canadian athletes earned an impressive 29 of the 36 available medals across all divisions.

Squash Canada proudly acknowledges the contributions of the official event partners, whose support was instrumental to the success of this championship including Forthlane Partners and the Ontario Government Sport Hosting Program.

Participation Trends — This year's tournament welcomed 370 athletes, across 10 deeply competitive junior age divisions, as well as two NextGen PSA Satellite draws. Across the entire event, 10 Canadian provinces and territories were represented as well as 15 additional countries including: Mexico, Peru, USA, Colombia, Ecuador, Guyana, Barbados, St. Vincent and the Grenadines, South Africa, Chile, Sri Lanka, Cayman Islands, Trinidad and Tobago, Australia, and Egypt.

Champions —

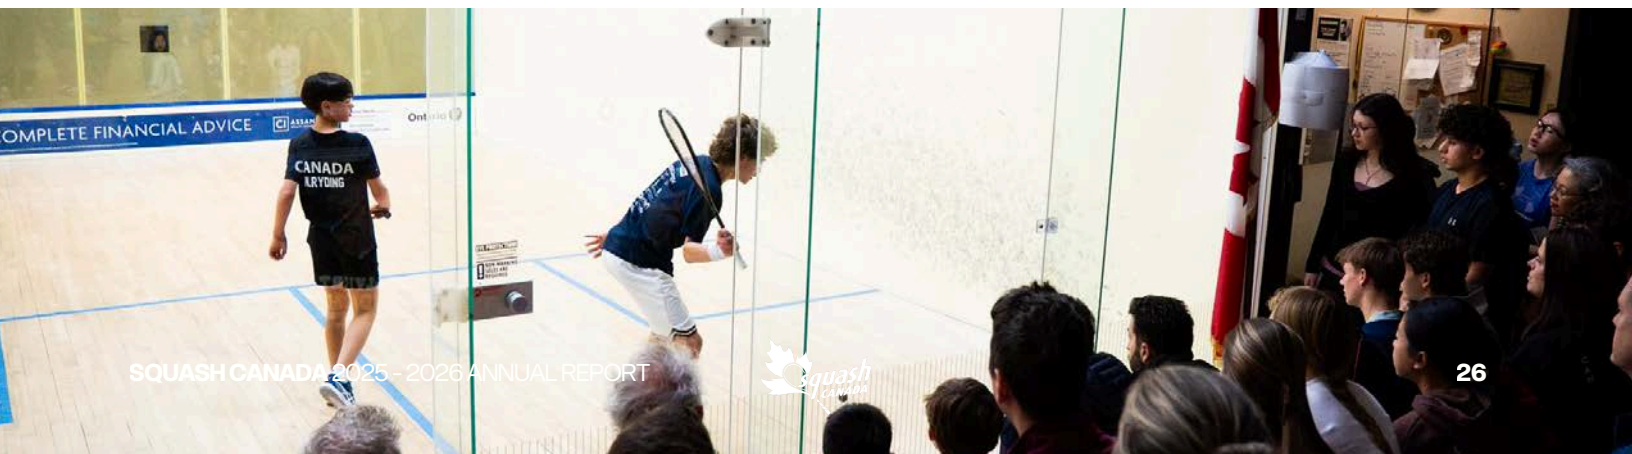

- **BU11:** Santiago Mateus Melo (COL)
- **BU13:** Chase Facchin (ON)
- **BU15:** Obie Ryding (ON)
- **BU17:** Kent Rawlins (ON)
- **BU19:** Calder Murray (AB)

- **GU15:** Alice Huang (USA)
- **GU17:** Joelle Kim (BC)
- **GU19:** Wing Kai Gladys Ho (BC)
- **PSA NextGen:** Niki Shemirani (ON)

Looking Ahead — As we look ahead to the 2026 Canadian Junior Open, it's 30th Anniversary, Squash Canada remains committed to elevating the athlete experience and strengthening our international junior profile. Our focus will continue to be:

- Ensuring robust participation from all Canadian provinces and territories.
- Showcasing our premier facilities and professional event delivery.

The Canadian Junior Open will continue to serve as a flagship event for Squash Canada, providing a benchmark for junior athlete development while strengthening Canada's reputation as a leader in hosting world-class squash competitions.

2026 RK4 CANADIAN MASTER'S TEAMS CHAMPIONSHIP

Event Summary — The 2026 RK4 Canadian Master's Teams Championship (January 23 - 25, 2026), hosted at Club Sportif Côte de Liesse (CDL) in Montreal, Quebec brought together many of Canada's leading master's squash athletes for three days of competition. This tournament saw Team Alberta capture their first title since 2009.

Squash Canada extends its sincere appreciation to RK4 Sports, Squash Québec, the Government of Québec, Club Sportif Côte de Liesse (CDL), and Tournament Co-Chairs Stephane Lussier and Viano Oghenekevwe for their support in delivering an exceptional championship experience.

Participation Trends — This year's championship featured 70 participants from 10 teams representing Alberta (7), Manitoba (7), Quebec A (7), Quebec B (7), Ontario (7), Nova Scotia (7), New Brunswick (7), British Columbia (7), Saskatchewan (7), and Prince Edward Island (7).

Looking Ahead — Building on the success of the 2026 RK4 Canadian Master's Teams Championship, Squash Canada will continue collaborating with upcoming hosts and tournament directors to strengthen team development, with the ultimate goal of fielding a full team from every province and territory as well as the Canadian Armed Forces.

2026 JESTERS CANADIAN UNIVERSITY AND COLLEGE CHAMPIONSHIPS

Event Summary — The 2026 Jesters Canadian University and College Championship Presented by the City of Montreal broke records for the second year in a row, solidifying the expanding post-secondary player demographic. The Tournament Committee worked on improving outreach to different university communities with an emphasis on smaller institutions, as well as improving online presence with the creation of a tournament Instagram page.

Squash Canada proudly acknowledges the officials, volunteers, and official event partners, whose support was instrumental to the success of this tournament: Jesters Club of Canada, City of Montréal, Capital Asset Lending, Squash Québec, the Government of Québec, Squash Experts, McGill Recreation. A sincere thanks is also extended to the tournament committee Isabel Smith, Anne-Frédérique Bayard, and Tournament Co-Chairs Mohamed Kamal and Yvon Provençal for delivering such a successful national championship.

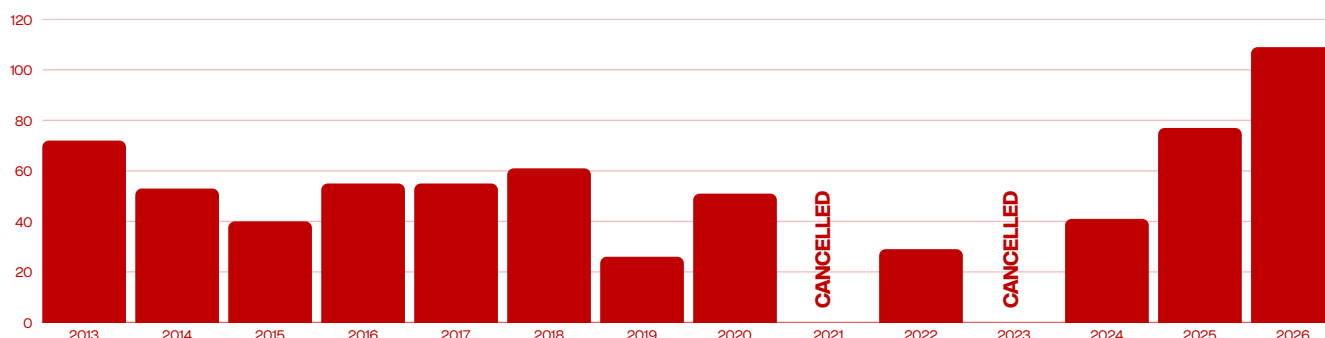

Participation Trends — The 2026 Canadian University & College Championships reflected sustained growth in post-secondary squash participation nationally. With a total of 124 athletes on draw, representing more than 25 postsecondary institutions and seven provinces and territories, the sport continues to expand its footprint across Canada's postsecondary landscape.

Champions —

- **Men's Open:** Cameron Seth (University of Waterloo)
- **Men's A:** Glen Chamberlain (Carleton University)
- **Men's B:** Jacob Badali (Queen's University)
- **Men's C:** Omar Elaref (McMaster University)
- **Women's Open:** Niki Shemirani (University of Waterloo)
- **Women's A:** Sophie Vandenbrink (Western University)
- **Women's B:** Gabriella Menezes (Queen's University)
- **Women's C:** Mairead Shaw (McGill University)

Looking Ahead — Squash Canada is looking forward to building on another successful Canadian University & College Championship, with a continued focus on sustaining and nurturing interest in this event. Our priorities will be:

- Improving collaboration with university squash clubs and teams to convert athlete outreach into participation.
- Increasing outreach to smaller provinces and territories to encourage broader regional participation.

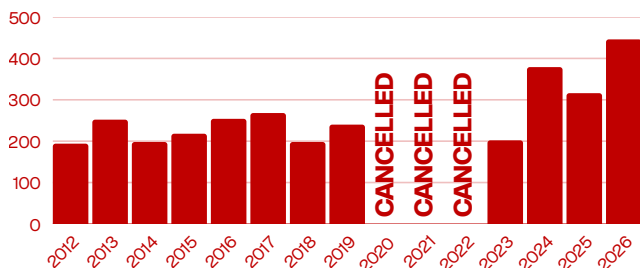

RAYMOND JAMES CANADIAN DOUBLES AND MIXED DOUBLES CANADIAN CHAMPIONSHIPS PRESENTED BY SLAIGHT MUSIC

Event Summary — The 2026 Raymond James Canadian Doubles & Mixed Doubles Championships presented by Slight Music was the first of its kind, running the Men's, Women's and Mixed draws in one event, across six days. Hosted in Toronto, Ontario, the Badminton & Racquet Club was an enthusiastic host to doubles athletes from across the country.

Squash Canada congratulates all champions and finalists across all draws and extends its thanks to Tournament Chair Eric Baldwin and his entire committee, the Badminton & Racquet Club, and valued title and presenting partners Raymond James and Slight Music, respectively as well as all partners and patrons for their generous support.

Participation Trends — This iteration welcomed 324 athletes (162 pairs) competing across 18 men's and women's draws, and 122 athletes (61 pairs) across 9 mixed doubles draws. While this year's turnout did not surpass the all-time record, it remains one of the largest Doubles and Mixed Doubles events when looked at separately, and when combined, as it was hosted, it stands as a one-of-a-kind event, setting the bar for future combined Doubles Championships.

Looking Ahead — Squash Canada is proud of the turnout we saw at the 2026 event, and it's given us real momentum heading into the 2026 – 2027 season. Moving forward, we'll be focused on deepening outreach to clubs and provincial associations across the country to broaden the event's geographic footprint and bring in new participants.

2026 POLLOCK CLINICS MEN'S HEALTH CANADIAN JUNIOR CHAMPIONSHIPS PRESENTED BY AMICA SENIOR LIFESTYLES

Event Summary — The 2026 Pollock Clinics Men's Health Canadian Junior Championships Presented By Amica Senior Lifestyles drew a 253 cohort to the Arbutus Club, in British Columbia, for the clubs' first squash championship.

Squash Canada extends its appreciation to the Arbutus Club, the event's title partner Pollock Clinic Men's Health and presenting partner Amica Senior Lifestyles, satellite clubs (Vancouver Lawn Tennis & Badminton Club & Jericho Tennis Club), the volunteers and all our crucial event partners and patrons who contributed to the success of this event.

Participation Trends — Participation in the Canadian Closed Championships has shown steady long-term growth, with some fluctuations driven by external factors, including the COVID-19 pandemic. Since 2013, the event has grown from 191 competitors to a record-breaking 309 in 2025, before dipping by 20% in 2026 to 253. Participation in the Canadian Junior Championships continues to fluctuate year to year, but the overall trend remains upward.

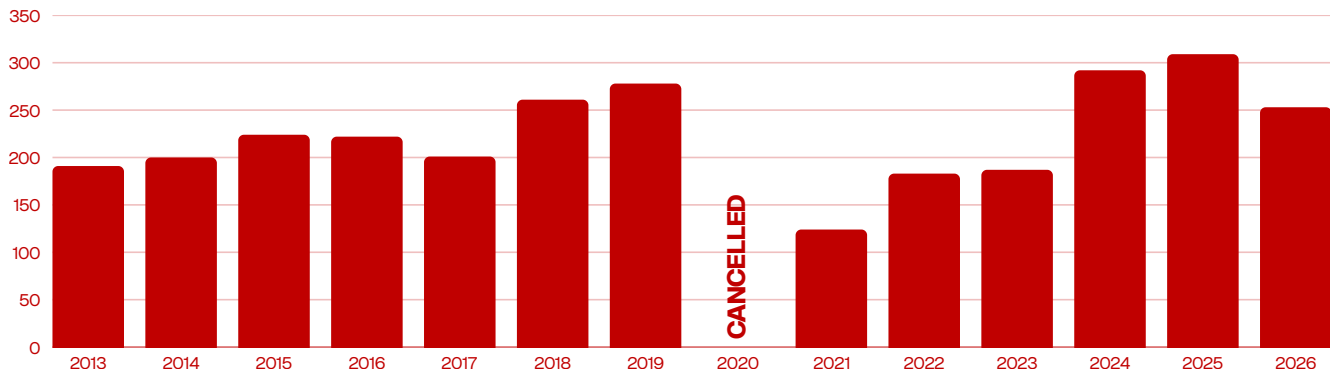

Champions —

- **BU19:** Yusuf Matti-Alvarez (BC)
- **BU17:** Shaan Jolly (ON)
- **BU15:** Obie Ryding (ON)
- **BU13:** Nolan Ryding (ON)
- **BU11:** Evan Lin (BC)

- **GU17:** Veera Dhaliwal (BC)
- **GU15:** Lyvia Han (ON)
- **GU13:** Joanna Zheng (BC)
- **GU11:** Olivia Wijaya Liong (BC)

Looking Ahead — Squash Canada is looking forward to building on the success of the 2026 Pollock Clinics Men's Health Canadian Junior Championships Presented by Amica Senior Lifestyles, as preparations begin for next year's event. The championship will continue to serve as the grand finale of the national season. Our main priorities will include:

- Broadening outreach through community partners, including clubs, to ensure maximum participation and representation.
- Strengthening targeted outreach campaigns to encourage players to register well in advance.

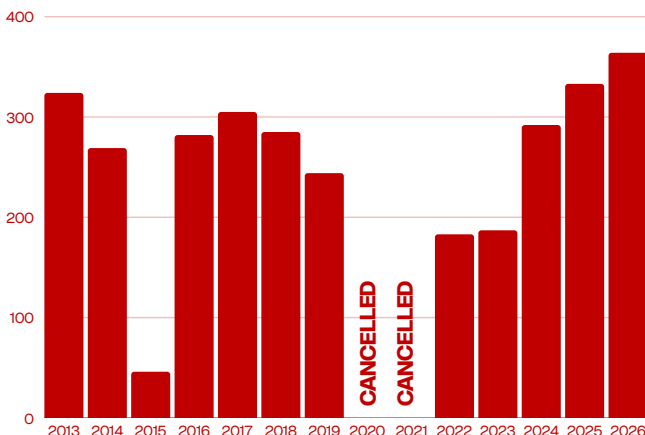

2026 POLLOCK CLINICS MEN'S HEALTH CANADIAN SENIOR CHAMPIONSHIPS PRESENTED BY AMICA SENIOR LIFESTYLES

Event Summary — The 2026 Pollock Clinics Men's Health Canadian Senior Championships Presented By Amica Senior Lifestyles brought Canada's top senior players to the Arbutus Club from April 28th – May 2nd. Under the leadership of Tournament Director Dave Glass, the event featured 364 participants competing across 27 draws, with representation from majority of the provinces and territories.

Squash Canada extends its appreciation to the Arbutus Club, the event's title partner Pollock Clinic Men's Health and presenting partner Amica Senior Lifestyles, satellite clubs (Vancouver Lawn Tennis & Badminton Club & Jericho Tennis Club), the volunteers and all our crucial event partners and patrons who contributed to the success of this event.

Participation Trends — Since 2013, participation in the Canadian Senior Championships has shown notable fluctuation, with peaks in 2013 (324 participants), 2017 (305 participants) and 2025 (333 participants), and significant declines in 2015 (46 participants) and during the pandemic years, when the event was cancelled. This year's total of 364 participants marks the highest turnout recorded in the 14-year tracking period, surpassing the previous peak set in 2025.

Champions —

- **Men's Open:** David Baillargeon (QC)
- **Men's 80+:** Gerald Poulton (BC)

- **Women's A:** Anika Kurji (BC)
- **Women's B:** Olivia Gee
- **Women's C:** Francesca Feidelberg (BC)
- **Women's D:** Laura Ramsay

Looking Ahead — Building on the record-breaking participation achieved in 2025, Squash Canada will focus on sustaining the momentum of the Canadian Senior Championships in 2026 and beyond. Key priorities will include:

- Leveraging targeted marketing campaigns and media engagement to elevate the championship's profile.
- Expanding outreach initiatives to encourage participation from women, as well as from all provinces and territories.

With these priorities in mind, Squash Canada aims to solidify the Canadian Senior Championships as the grand finale national event for senior squash in Canada.
